ST. LOUIS, MISSOURI
ROCHESTER, NEW YORK } MARCH 23, 1918

To the Trade:

This Bulletin covers Boxed Lots in cold storage at St. Louis and Boxed Lots and Bulk stock in cold storage at Rochester, New York. Our offices in St. Louis and Rochester are now open for the dispatch of business. "Quick action" is the motto of both offices.

A code word is given for each boxed lot, and your orders by wire or letter will get the goods rolling *right now*—or will reserve for later shipment as desired.

WEIGHT OF BOXES is given so that you can figure on express shipments intelligently.

DRAYAGE to freight stations in St. Louis and Rochester will be added to the invoice. We shall bunch shipments as far as possible and so hold drayage charges to the lowest possible notch. We are forced to charge drayage this season because of increased storage rates, increased labor costs, etc. There will be no drayage charge on express shipments.

TERMS and Conditions of Sale as per our regular Trade List; cash with order where purchaser's credit is unknown to us.

ORDERS booked in rotation as received.

Always name second choice if possible.

Shipments will be made when desired.

RUSH SERVICE on Boxed Lots is easy; no packing to do, simply grab a box and get it on the express wagon or dray, and Henry Chase is in St. Louis and Robert Chase in Rochester to do the grabbing. If possible, get your freight orders to us before 3 P.M. for shipment that day. Express orders will go out on night trains, if received by 4:30 P.M.
